

2025 Read 4 Adventure Program Details

We are thrilled to announce that [High Trek Adventures](#), [Game On NW](#), and [High Trek Chelan](#) are once again partnering with local elementary schools and co-ops to bring back the beloved **Read 4 Adventure Program** in 2025! Together, we're on a mission to ignite a passion for reading while encouraging our youth to stay active and engaged with the world around them.

This March, we invite K-6 grade students to embark on a journey of imagination and adventure. By dedicating **8 hours to recreational reading**, students will unlock an exciting reward—proof that hard work and determination lead to great achievements!

Students can choose to redeem the award voucher at one of our 3 locations and voucher options include ropes course and ziplines, laser tag, virtual reality, or a discounted camp experience.

Overview of Program:

- Get Administrator approval and sign up your school via this link: [School Application](#)
- Mid February Coordinator will receive all pertinent information including a school specific Reading Log to pass out to students.
- The program will run March 1st - March 31st and students will be encouraged to meet the goal of 8 hours of recreational reading.
- At the end of the program students complete the online submission form (link will be located on the Reading Log) prior to April 13th.
- School Coordinator will approve all names on the list via a google spreadsheet with an easy Y or N
- High Trek will collect all submissions and award vouchers will be emailed to parents the first week of May.

High Trek provides all forms and details and we have made it as easy as possible for the school to implement and coordinate on their end.

Sign ups will run the month of January and we encourage you to sign up as soon as possible! Please feel free to reach out with any questions. I look forward to connecting with you.
